Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Spelling Banner
Help your child make a spelling banner. Have him or her write each spelling word on an index card and punch a hole in the top of the card. Provide shoelaces or yarn so that he or she can lace the cards together in groups according to the spellings of the long vowel sounds. Help your child hang the banner and encourage her or him to read and spell from it frequently. Occasionally you might also suggest that your child write the words.
