Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Sentence Sense
Pronounce a word and have your child spell the word and use it in a sentence. Encourage your child to make up a sentence that shows the meaning of the word. Example: calf. The small calf stayed near the mother cow.

Add excitement to this activity by awarding one point for correct spelling, two points for a complete sentence (one that contains a noun phrase and a verb phrase), and three points if the sentence clearly shows the meaning of the word.
