Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Suffix Take-Away
Ask your child to write each spelling word without the -ly suffix. (For example, badly becomes bad.)

Remind your child that this is the base word of each spelling word. Ask your child to use both the base words and the spelling words in sentences.
