

Name _____

Home Spelling
Practice

Dear Family,

There are many activities that you and your child can do at home to reinforce the correct spellings of these and similar words. As you work with your child, help him or her focus on the spelling pattern for each sound. Be sure to praise your child for each correctly spelled word and be patient when working with words that your child finds difficult. I hope that you and your child will enjoy doing these activities together.

Ask your child to write the spelling words correctly on the blank lines.
