Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Daily Life Have your child write about a typical day in his or her life. Explain that nothing exciting happens in a typical day, but that by using vivid and exciting language, your child can make the day's activities sound interesting.

You might enjoy writing a description of your typical day too, and then comparing your day with your child's. Discuss the similarities and differences in your days.

Long a: a, ai, ay
