Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

News Spell Have your child cut out spelling words from newspapers and magazines. Then have your child glue the words on colored paper in the same order as the word list. If the words are difficult to find, have your child make them from individual letters that he or she has cut out.

Long e: ea, ee, ie
