

Name _____

Home Spelling
PracticeAssessment
and Review

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Rhyming Words
Have your child write two-line poems using the words on the list of review words on this page and the following words to create rhymes: delay, season, fight, crust, wide, flavor. For example:

"I have discovered the reason
That we celebrate this season."

Encourage your child to find other words that rhyme with the remaining words on the list and write more two-line, or longer, poems. You could also increase the number of words by including the past tenses and the plurals of the words.
