Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Alphabetical Order Help your child write the word list in alphabetical order and number the words. Then erase the odd-numbered (or even-numbered) words and have your child fill in the missing words with a crayon or colored pencil, using the word list to help him or her.

Long o: o, oa, ow
