Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Search Ask your child to use a dictionary to look up the words in the list on this page. Have him or her write down one synonym for each word. Then have him or her write the antonym for each synonym. Ask: "How many spelling words did you find on the same page of the dictionary? Did any words have an r-controlled vowel sound? How many words can you think of that rhyme with scare? Can you use them to write a poem?"
