Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Picture That
People use many phrases that, if taken literally, would result in some surprising mental images. For example, "the road is a sheet of glass" means that the road is icy, but could it also mean that the road is made of glass? Or if Dad "roars like a lion," does he get down on all fours and roar? Encourage your child to write down and illustrate other potentially surprising sayings.
