Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Spelling Patterns
In this unit, your child will learn to spell words that have final *le* and final *en*. To help your child associate spelling patterns with the sounds they stand for, say the spelling words and encourage your child to listen carefully to the endings. Use the words in sentences, since understanding the meanings of these words will help your child learn to spell them.

Final *le*, Final *en*
