Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Letter Cards Write the le, en, er, and or endings on index cards. Say a spelling word and have your child hold up the card that has the corresponding ending letters. He or she should then spell the word aloud. Finally, have him or her write the word and circle the ending.
