

Name _____

Home Spelling

Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Detective
Write a sentence for each of the spelling words in the list on this page, but leave out the spelling word, replacing it with a blank line. Give the list to your child and ask him or her to fill in the blanks with words that make sense in the sentence. Then see how many of the spelling words your child can replace in the sentence with a synonym. Ask: "Are there any words that you see that have homophones? How many of the words are base words to which you can add a suffix?"
