## Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Chart the Parts  
Fold a sheet of paper lengthwise into three columns. Title the columns according to the unit being studied. For example, units containing words with prefixes would require columns headed prefix, base word, and spelling word. Pronounce each spelling word for your child. Have him or her write the word parts and the whole word in the proper columns.
