Calendar Words

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Unit Paragraphs
Have your child write a paragraph or story, perhaps about what happened to him or her this year, using as many of the spelling words as he or she can. Write a paragraph or story of your own as well. Both of you should erase the spelling words in your stories and exchange papers. Fill in the spelling words and exchange the stories again for checking. Be as creative as possible in this activity. The story or paragraph may be silly as long as the words are used correctly.
