Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Puzzle Builder Ask your child to create a crossword puzzle using as many of the words in this list of review words as he or she can. Be sure that he or she prepares a list of appropriate clues, such as "I am the second month of the year." Have your child give the crossword puzzle to different members of the family to solve. Have a contest to see who can do it in the least amount of time.
