Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

What Are They Called? Use a world map or an atlas to show your child the map of the places mentioned in this spelling list and the countries where the word for the nationality is mentioned. Point to the map of the country and ask: "What country is this?" (Help him or her read the map.) Then ask: "What do you call a citizen of this country?" For example, point to Germany on the map and ask:

"What country is this?"  
(answer: Germany)

"What do you call a citizen of this country?" (answer: a German citizen)
