Assessment and Review

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Incomplete Words
Prepare a list of the spelling words in this review unit, leaving either the stem or the end of the word off the list. Give the list to your child and ask him or her to search the list on this page to fill in the missing part of each word. For example:

bab ____ (babies)
____ ball (basketball)
broth ____ (brother's)

Erase the filled in part of the blanks, and then have him or her fill in the blanks again without looking at the list.
