Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Circle-a-Sound

Have your child write each word after you pronounce it. Then ask him or her to draw a circle around the letters that spell the vowel sound taught in the unit. Finally, help your child make generalizations about the spellings of each vowel sound. For example, the /ōō/, /yōō/ sound can be written u, ou, eau, ui, o, ue.

Vowel Sounds:

/ōō/, /yōō/
