

Name _____

Home Spelling

Practice

Short Vowel Sounds

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Let Me Explain
Encourage your child to imagine that he or she is in an unusual situation. For example:

"Suppose that in science class you accidentally drink a bottle of antigravity formula..."

"Suppose that you had a dream last night that you had grown four feet in a matter of hours."

Have your child write about his or her experience in the situation of his or her choice. Encourage him or her to explain and solve the problems the situation creates.
