Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Master First, have your child write the spelling words that have the /əl/ ending and circle the letters that make that sound. Second, have him or her write the spelling words that have the /ən/ ending and circle the letters that make that sound. Finally, have him or her write the words that have the /ər/ ending and circle the letters that make that sound. Now, write some of the words from this spelling list, misspelling them. Then have your child check the words and write them correctly.
