Home Spelling  
**Practice**

Dear Family,  
Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

**State My Name**  
As you practice these spelling words with your child, point out the states referred to on a map. Then cover the states' names on the map and ask your child to name them by their location. Then he or she can write the names when he or she identifies them. Repeat this activity with those states your child had trouble identifying.
