Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

**I'm So Confused!**  
Ask your child to write short sentences using each word on this list. The sentence should make clear that he or she understands the meaning of the word. Check the sentences and talk about any words that were confused.

Easily  
Confused Words

- |                      |           |
