Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Dear Diary

Encourage your child to start a diary in which he or she records the events of each day. Begin by having him or her think about the best day of his or her life. Ask him or her to recall what time of year it was, where he or she was, and what happened to make it the best day. Then have him or her write a detailed description of the events of the day and of the feelings he or she had.
