Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Synonym or Antonym? Give your child this list of spelling words and ask him or her to find and then write the synonym or antonym for each word beside that word. Then have him or her write "synonym" or "antonym" beside each word that he or she writes. For example:

delight - pleasure -
synonym
exit - entrance -
antonym
