## Home Spelling

## Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Shorten It Up! Say each word on the spelling list and have your child spell the abbreviation orally. Then write the words, and have your child write the abbreviations. When you are shopping together, see how many of the abbreviations you can find on different kinds of products and merchandise.
