Home Spelling

Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Guess Again On a sheet of paper, write one of the spelling words from this list. Show the word to your child and ask him or her to give you a definition of the word. If necessary, he or she may look up the word in a dictionary. Go through the list in this manner, then go through it again, with you giving the definitions and your child guessing and writing the words. Finally, he or she could create a dictionary by writing both words and definitions in a notebook. Encourage her or him to use his or her own words when giving the definitions.
