Spelling Connections Grade 5

You can rearrange some letters in words to make a new word. Write the spelling word that was used to make each pair of words below. Use some letters more than once.

- |                 |       |                |       |
|-----------------|-------|----------------|-------|
| 1. cell<br>ego  | _____ | 4. go<br>led   | _____ |
| 2. green<br>yen | _____ | 5. gore<br>in  | _____ |
| 3. egg<br>rude  | _____ | 6. in<br>image | _____ |

Choose two of the spelling words given below. Use some of the letters to make smaller words. Write them on the lines below.

generous

average

gentleman

stranger
