Home Spelling

Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Build-a-Word

Make two complete sets of alphabet letter cards from small squares of cardboard or heavy paper. Ask your child to use the letters to build spelling words. Check the words together to make sure that they are spelled correctly.

These same letters can be used in different practice activities throughout the year. For example, you might ask your child to use them to spell as many words as possible in five or ten minutes.

Short u, Long u
