Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Word Change
Prepare two sets of alphabet cards or use the cards you made for an earlier unit. Lay out the cards on a table. Pick the letters that spell a spelling word, adding two or three letters that do not belong in the word. Shuffle the letters and give them to your child. Say the word and have your child use the letter cards to form the word. The letters that do not belong in the word should be returned to you as "change."
