Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

**Campaign Speech**  
Have your child write a campaign speech that he or she would deliver to the nation if he or she were running for president of the United States.

Encourage him or her to discuss some of the problems facing the nation today, such as unemployment and hunger, and to tell what he or she would do to solve the problems. Encourage your child to use as many spelling words as possible.
