

Name _____

Home Spelling

Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Categories Suggest that your child write the word list in categories or groups according to the things the words have in common. Some categories are:

- the number of letters in the words
- the suffixes attached to the words
- the part of speech of the words—noun, verb, or adjective

To extend this activity, have your child use as many spelling words in the same category as possible in the same sentence.
