Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Let's Pretend
Many children have favorite television shows and television heroes. Have your child pretend to be his or her favorite television personality. The producer of the show has given your child permission to write the script for next week's show. Have your child summarize the show he or she will write. Encourage your child to use as many spelling words as possible.
