Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Sports Fan Ask your child to imagine that he or she is a reporter interviewing a well-known athlete. Have him or her use as many words from this review unit list as possible to write questions to ask the sports figure. He or she may also imagine what the answers would be and write them down. If he or she knows someone who is active in athletics, that person could be interviewed.
