

Name _____

Home Spelling

Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

Ten Questions

Think of a word on the spelling list and let your child ask you up to ten questions about it.

Answer yes or no to the questions. When your child guesses the word, have him or her spell it aloud and write it.
