Home Spelling  
Practice

Dear Family,

Ask your child to write the spelling words correctly on the blank lines. As you work with your child to practice this week's spelling words, try the following activity.

**Review** Ask your son or daughter to use a thesaurus to look up synonyms for each of the spelling words in the list on this page. Have him or her write the spelling word and one of its synonyms and then use the spelling word orally in a sentence that demonstrates that he or she understands the meaning of the word.
